# ABOUT

The BIOREME network aims to catalyse new research partnerships that use mathematics to solve problems in respiratory medicine.

BIOREME brings together multi-disciplinary researchers with clinicians, industry and patient groups interested in developing new technologies, treatments and understanding of lung disease.

# CONFERENCE

The next annual conference will be held on the 9<sup>th</sup> to 11<sup>th</sup> January 2024 at The Jubilee Conference centre, The University of Nottingham.

You can expect to enjoy keynote talks, research presentations, panel discussions and more in the following key research areas:

- Improving treatment delivery and clinical trial design
- Developing the next generation of clinical lung function measurement.
- Modelling pulmonary mechanics in critical care.
- Environmental factors affecting lung health
